

**Fall
Virtual Symposium**
by The Perennial Plant Association

Oct. 15, 2021

**Perennial Professionals at Work & Play:
Canada and US Great Lakes Edition**

Explore the hottest topics going on in perennial professionals' careers then dive in for a bit of personal connection as they share their private home gardens. See the curtain pulled back on the *what* and *why* behind their plant selections. Enjoy a **top ten perennial plant list** from each presenter. This event offers 4.5 APLD CEUs.
